Dear Respective Members of the TIGER Review Committee:

Phil Sutton  
Assistant County  
Administrator

I am writing on behalf of Hall County and our effort to secure funding through the TIGER program for the purpose of widening Spout Springs Road in southern Hall County.

Heather Bennett  
Commission Clerk

The southern portion of our county is the fastest growing, but is also economically distressed. This project meets the requirements of the TIGER program, as well as the guidelines specified by the overall national ARRA program. Hall County is a regional employment center for northeast Georgia and, given current census estimates, the completion of this project is vital to the infrastructure required to meet the future needs of this area.

Thank you for your consideration of this request. Your efforts on behalf of Hall County are appreciated.

Sincerely,

Tom Oliver  
Commission Chairman
