

## Transportation Improvement Program Summary

### WHAT IS A TRANSPORTATION IMPROVEMENT PROGRAM (TIP)?

The Fiscal Year 2021-2024 **Transportation Improvement Program (TIP)** is a federally required document that **describes the four-year capital improvement program, akin to the State Transportation Improvement Program (STIP) but exclusively for projects within the GHMPO planning area.** This TIP covers a four-year period from FY 2021 (beginning July 1, 2020) to FY 2024 (ending June 30, 2024) that is consistent with the Gainesville-Hall Regional Transportation Plan: 2020 Update (RTP). The TIP is updated at least once every four years and amended as frequently as necessary. The GHMPO **Technical Coordinating Committee (TCC)** and **Citizens Advisory Committee (CAC)** are responsible for reviewing the TIP and recommending it for adoption to the GHMPO board, or the **Policy Committee (PC)**. The public is also invited to review and comment on the proposed TIP.

### PROJECT EVALUATION & SELECTION PROCESS

Projects were evaluated based on their ability to reduce congestion or enhance safety, address community needs, and their specific support from the community. A process was developed in which a list of candidate roadway and transit projects was ranked in three separate but equal categories described below:

- **Technical Analysis:** Used to determine how successful projects are at making the transportation system safer and more efficient. This analysis utilized primarily travel demand model data.
- **Needs Categories:** Used to determine how successful projects are at addressing the different needs categories as ranked by the community.
- **Community Support:** Used to determine those projects that have specific support.
